

SODA

Anima Domus®

THE CONCEPT OF HOME

Manufactured by Miniforms | Designed by Yiannis Ghikas

A contemporary masterpiece that takes three master glassmakers to create, this iconic design is organic and beautiful. Soda is a coffee table that begs to be touched and walked around. The simplicity of the single material choice is further enhanced by the natural shape influence. The beautifully uneven surface reminds each viewer the artistry and natural factors that helped shape this intriguing piece.

FINISHES & MATERIALS

- Coffee and side-table with blown Murano glass, available in amber and petrol green.
