

Manufactured by Oluce | Designed by Joe Colombo

Innovative even today in its simple, versatile design, this timeless table lamp called Coupe is a beautiful reminder that impeccable design transcends all time. The adjustable positioning of the lamp head plays well with the Modern and Art Deco-inspired design. The shade is available as a semi-spherical shape or a semi-cylindrical one.

## FINISHES & MATERIALS

- Table Lamp giving direct light, lacquered metal base, chromium-plated stem, adjustable reflector in lacquered aluminum.
- Colors: lacquered white, external lacquered black, inner white.
- Compatible with LED light bulbs. Light bulb not included.
